POLICY TITLE: Association Memberships
POLICY NUMBER: 1005 (Previously Board Policy #4080)

Purpose: This policy sets forth the rules for membership in associations and establishes who may represent the District.

1005.1 Appropriate Memberships. To take advantage of in-service training opportunities, the District may hold membership in industry related associations. Board Members and staff may attend meetings of national, state, and local associations directly related to the purposes and operations of the District and shall look upon such memberships as an opportunity for in-service training. Decisions to continue, discontinue, or add new memberships shall occur through the annual budget process and budget amendments.

1005.2 Appointment of Representatives. The President shall appoint Board Members as representatives and alternates, as appropriate, to serve as contacts between the District, stakeholder groups, associations and others. The representatives and alternates shall report to the Board in a timely manner on their activities involving these associations. In some cases members may be allowed certain expenses for travel and membership in such associations. This shall be determined and approved by the full Board.

1005.3 District Manager Memberships. The President may designate the District Manager as the appropriate representative or alternate in connection with memberships in any association. The District Manager may designate those associations or industry specific organizations with which his/her association is necessary or desired.

1005.4 The Board of Directors shall maintain membership in the California Special Districts Association and shall ensure that annual dues are paid when due.
